Mr. Miles W. Collier,
Colbert, Ga.

Dear Mr. Collier:

I have your letter of March 30th. Enclosed find a transcript from the Genealogy that I have worked on on Vines Collier, who came to Georgia in 1780, settling in Wilkes County and later moved to Oglethorpe County.

Please trace this back and give me a complete record of the one that you descended from. Evidently you descended from William, who was the eighth child of Vines.

Benjamin went to Crawford County; Williamson moved to Upson County; No. 12, which was Robert, moved to Upson County, and I descended from him. Cuthbert removed to Monroe County, and I know this family. Isaac, No. 4, removed to Upson County along about 1830; Mary, who married John H. Owens, moved to Monroe County; No. 2, Elisabeth, married Rev. Thomas Dunn, and I have no record of them; No. 3, Sarah, who married Harison Smith, I am trying to trace; Anne, who married John Hardeman, I have no record. I want to trace No. 6, Thomas; No. 7, John; No. 8, William, and No. 9, Vines.

Very respectfully,

JCC:S

J. C. COLLIER.

Enclosure.
